

# METSEA FORUM INVITATION

An invitation is extended for you, or any interested member of your club, to attend a **METSEA Forum** to be conducted on **Sunday 21<sup>st</sup> February** at Club Rivers, Riverwood at 10:00am.

The purpose of this Forum is to detail some of the issues that the **Development, Competitions and ATSC committees** have realised over the last 12 months.

As our AREA is large, and growing, developing and moving forward with our technical officials, meets and squad development is imperative so that we can encompass all the issues that we will face over the coming year.

This is your opportunity to come along and voice any opinions/concerns/ideas that you may have concerning these areas and to bring along your suggestions on any topic that affects you and your club.

It would be envisaged that all clubs would be able to send along 2-3 representatives to attend on the day to share their ideas and thoughts and to take back to their members the points of interest that will be discussed on the day by members of these three committees.

Please also feel free to **forward any topics** that you would like to be addressed by the speakers. This can be done by sending an email to the METSEA website administrator at : <http://www.metsea.org.au/accept.php>

For catering purposes, please log your **INTENTION TO ATTEND** using the following METSEA link: <http://www.metsea.org.au/accept.php>

Alternatively, please fill out the form below and email back to: [johnlowen@optusnet.com.au](mailto:johnlowen@optusnet.com.au)

**RSVP by Monday 8 February, 2010**
